## Dues Request

August 2016

The Class of '60 is famous for its classmate loyalty. We hope you will show yours by sending in your 2016-2017 annual Class Dues to cover the cost of Denny's wonderful **1960 Newsletter** and meet our Class commitment to fund four important class projects that directly benefit Dartmouth students:

**Dormitory Art Awards:** We purchase winning work in the annual Senior Visual Arts Majors' Exhibition for display in dormitories and around campus (\$4,000).

**BVAC Curatorial Interns:** We fund regular, student curated exhibits in the Black Visual Arts Center (\$3,000).

**Athletic Sponsors Program:** We support travel and related expenses to bring recruited athletes to visit the campus (\$2,000).

**Dickey Center for International Understanding Internship:** We enable a student to work abroad for one semester (\$4,000).

A fifth program, not funded from Class Dues is the **Summer Enrichment at Dartmouth**. SEAD brings high-potential high school students from lower income areas to Dartmouth for several weeks of mentoring and learning. This program has often proven life changing for both the high school participants and their Dartmouth student mentors. We encourage you to support this excellent program by adding a SEAD contribution when you pay your Class Dues. (Classmates collectively contribute \$3,000 - \$4,000 annually).

Our **Memorial Book Program** is fully funded to purchase a book with an individual plaque for each deceased classmate, as is our **Endowed Scholarship Program** that now supports five scholars on campus.

**Please note:** Dues/Contributions are to be mailed directly to Gordon Starkey, P.O. Box 1665, New London, N.H. 03257. Those of you paying for the mini-reunion may combine your payments in one check. You may also make payment by accessing your bank's Bill Payer Option, following their instructions. If you have questions, please contact Gordon at [keystar38@comcast.net](mailto:keystar38@comcast.net) or 603-526-7789.
