Greetings all 60's!

It's that time again and **this is the BIG ONE**. Yes, we are in the initial phase of preparation for our **50th Reunion next June 11th-15th**.....so be sure to mark your calendar. This will be special in that we are the only class having a reunion at that time, and we will march with the class of 2010 at graduation.

Our theme – “MANY PATHS....ONE FELLOWSHIP” reminds us that each of us has charted our own life path, with different family configurations, jobs, passions, and locations; but we all share one common bond---the fellowship from our four years together at Dartmouth, which for many of us were some of the best years of our lives. So this is an opportunity for us to re-capture this memorable experience with friends from dorms, fraternities, senior societies, teams and clubs and add some new perspective on our lives. We have assembled a strong team for our Reunion Committee(listed in the left margin) who are committed to putting together a program that will be enlightening, heartwarming, and fun.

Come-on back to:

- Renew and grow with our extraordinary Class of '60
- See the expanded campus and the beauty of Hanover
- Meet the exciting new President Jim Kim
- Turn on some new lights through *an* especially stimulating line-up of forums
- Re-discover and find anew the value of your Dartmouth friendships
- Have fun doing the things **you** enjoy with friends

Help us to bring out classmates who haven't made past reunions by returning the enclosed “intentions card” and by phoning those you would like most to see. Please note that our Program will be in Two Phases, as described in the attached “**Working Schedule.**” You will hear much more from us as the details of our program firm up, and we look forward to seeing you next June.
